Investigator Meeting Recap

Our 7th Consortium-wide Investigator meeting, held on February 22-23, 2018 at the Big Ten Conference Center in Rosemont, IL was a great success!

This meeting focused on key findings from CARE 1.0, tying up loose ends, and an overview of CARE 2.0.

We would like to thank our funders at the NCAA and DoD, and all the site PIs and their teams for all the work you do for the CARE consortium.

Your thoughts are important to us, and if you haven't already done so, please complete the meeting evaluation form:
