March 2019

## Recap: CARE Investigator Meeting

The inaugural CARE 2.0 Investigator Meeting, held February 7-8, 2019 at the Big Ten Conference Center in Rosemont, IL was a great success! We had over 100 consortium members in attendance.

This meeting focused on the overarching goal of CARE 2.0 - addressing public health questions surrounding the intermediate cumulative and persistent effects of concussion and/or repetitive head impact exposure on neurological health in MSA cadets and NCAA student-athletes.

We would like to thank our funders at the NCAA and the DoD and the site PIs and their teams for their participation and continued support.

## CARE in Action

We are in need of new pictures for our CARE website and social media sites. Please share and submit ideas/post/tweets/pictures of CARE in action from your site with the CARE AOC [careaac@iupui.edu](mailto:careaac@iupui.edu).

Thank You!

## CARE Connect

If you would like to collaborate with the CARE Consortium, please complete a Research Collaboration form. Collaboration Requests are reviewed monthly by the CARE Consortium Operating Committee.
